Duty of Disclosure

What you must tell us

When answering our questions you must be honest and you have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances, would include in the answer to the question. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Who needs to tell us?

It is important that you understand you are answering our questions in this way for yourself and anyone else whom you want to be covered by the policy.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the policy.

If you answer our questions fraudulently, we may refuse to pay a claim and treat this policy as never having been in force.

Failure to comply with your Duty of Disclosure, especially concerning your riding/driving history, including speeding fines, could severely affect the result of any subsequent claim made on the policy and could lead to the claim being declined.

Uninsured Risks and Exclusions

Exclusions

The policy will not provide insurance cover under certain circumstances. For example, we will not cover claims for loss or damage or liability arising from your vehicle or substitute vehicle being used illegally or for unlawful purposes. Full details of the exclusions appear in the policy wording. You should read the policy wording and make yourself aware of all the exclusions that apply.

There is no cover provided under this policy if:

Conditions

You must meet certain conditions for your insurance cover to apply. For example, you must pay the premium. Conditions of cover are shown in the policy wording. You should make yourself aware of all the conditions that apply by reading the policy wording.

Limits of cover

Our liability is limited to the amount shown in the schedule that we will issue to you or as otherwise stated in the policy wording. You need to decide if the limits of cover are appropriate for you. If they are not, you may be underinsured and have to bear part of any loss yourself.

Your application for insurance

By completing the proposal form either verbally with one of our phone consultants or by sending it to us, you are applying for cover. We will assess the information that you provide us with and if acceptable to us, we will send you a policy schedule, which sets out the details of the policy, including optional extras that you have requested.

The amount you pay

The amount that we charge you for this insurance is the total that we calculate when considering all of the factors which make up the risk, such as the agreed value, No Claim Discount, age of driver/rider, frequency of use, location, garaging and your driving history.

The premium that we charge also includes statutory charges such as FSL, GST, Stamp Duty and remuneration to East West Insurance Brokers Pty Ltd trading as Ryno Insurance Services for providing this service.

Excess

For some types of claims you will be required to pay an excess to make a claim under this policy. The exact amount of the excess depends on the rider and the type of claim. Full details about excess amounts and examples are described in the policy wording under 'Excess'.

Cooling Off Period

Under current legislation we are required to provide you with a cooling off period of 14 days after you enter into a contract with us.

You can cancel the policy at any time by advising us in writing, by telephone or electronically that you wish to cancel it. We will refund any premium and refundable government taxes and charges paid at this time, so long as you have not lodged a claim.

This extension is subject to all other terms, conditions, limitations and exclusions of the Policy.

Limited Use Options

We recognise that many owners do not wish to drive/ride their vehicle on a daily basis. Accordingly we offer premium discounts for reduced usage. In the calculation of this discount we may ask various questions to determine your eligibility such as driving/riding patterns and kilometres traveled. If we offer a reduced usage discount and you agree to such by the payment of your premium, you agree to inform us if this substantially changes.

We class Limited Use as one of the following - either:

- Limited Use for usage of up to 8,000km per year or;
- Extreme Limited Use for usage of up to 4,000km per year.

If we are advised of a substantial change in your usage of your vehicle, you may have to pay an additional premium.

Learner Drivers

We will cover any learner driver driving your vehicle whilst holding an appropriate learner driver permit, driving under the instruction from a fully licenced driver. Any age excess will be based on the experienced driver unless riding a motorcycle when the age excess is based on the rider.

Excess

Your schedule shows excesses, which can apply in the event of certain claims. We will advise you in the event of a claim which excesses are applicable.

All excesses on this policy are cumulative.

Basic Excess

The Basic Excess is a general excess which applies to all claims where we deem you to be substantially responsible, at fault or where a recovery cannot be made against the responsible party. For example you cannot provide us with the name and address of the responsible party. The Excess amount will be shown on your schedule.

Age/Inexperienced Excess for Nominated Drivers/Riders

If you make a claim for an accident where the driver/rider at the time of the incident was under the age of 25 years, this excess will apply in addition to the Basic Excess. In the case of motorcycles this excess is also applicable to any rider who has held the appropriate class of licence for a period of less than two years. The Excess amount in addition to the Basic Excess is \$400.

Age/Inexperienced Excess for Drivers/Riders Not Nominated

If you make a claim for an accident where the driver/rider at the time of the incident was under the age of 25 years but older than 20 years and was not nominated on the policy as a driver or rider, this excess will apply in addition to the Basic Excess. In the case of motorcycles this excess is also applicable to any rider who has held the appropriate class of licence for a period of less than two years. The Excess amount in addition to the Basic Excess is \$1500.

If your policy schedule is noted for restricted drivers (as shown on your schedule) this benefit is not applicable and drivers under the age of 25 are not covered for use.

Restricted Drivers

On some classes of vehicles/motorcycle or where you have chosen to restrict drivers/riders for a premium discount on your policy, it is a requirement that all drivers/riders who are likely to drive/ride the vehicle must be nominated on the schedule to be covered. **In these circumstances this will be shown on your policy schedule and the Undeclared Driver option is not applicable.** If an undeclared driver/rider uses your vehicle you will not be insured.

Theft Excess

On certain policies we impose a Theft Excess which is applicable in the event of theft or attempted theft. **If this excess applies it will be shown on your policy schedule.** This excess is in addition to any Basic Excess shown on your policy.

The Theft Excess does not apply if an activated and approved (by Ryno Insurance Services) anti theft system is fitted and functional. For details of approved systems, please contact Ryno Insurance Services. The Theft Excess will only be waived if we are notified of the fitting of an approved security system and it was agreed to in writing by us. We may also request proof of fitment and functionality.

Club Racing Excess

Where this Optional Benefit Extension Is shown on your schedule, an excess of \$500 will apply in addition to all other applicable excesses.

When you do not have to pay an excess

We agree to waive any excess if:

- the driver/rider at the time of the accident did not contribute to the cause of the accident, and;
- you can provide us with the name, address, registration and licence numbers of the other parties and vehicles involved.

The Age Excess will not apply for the following claim types:

- Theft and attempted theft
- Malicious damage
- Windshield claims
- Damage whilst parked
- Fire or water damage

In the event of a total loss claim

If your vehicle is damaged so badly that it is not economically viable to repair it, we will declare your vehicle a total loss and pay you the agreed value as shown on your schedule minus any excess which may be applicable.

If you pay by instalments, we will subtract any unpaid instalments from the pay out amount.

If your vehicle is subject to a finance agreement, we will first pay out your finance contract and send you the balance.

After paying out a total loss settlement, your contract with us is completed and you are not entitled to any refund of premium.

Salvage

If your vehicle, at the time of the insured event was under the age of 30 years, we will retain the salvage.

If the vehicle is under 30 years of age and you would like to retain the salvage, you have automatic first option to purchase the wreck at its market value.

If your vehicle is 30 years old or more, you retain the salvage at your option.

When your vehicle is a total loss and you are entitled to a refund of unexpired registration costs and compulsory third party insurance, we will not pay for the full costs of 12 months' registration and compulsory third party property damage. It is your responsibility to advise us of refund amounts and we may ask for proof of these refund amounts.

Garaging

In some circumstances we may advise that as a condition of cover, a vehicle must be garaged securely overnight. **If this is a requirement it will be shown on your policy schedule.**

We define a vehicle as garaged where it is regularly kept overnight in a secure locked garage of four solid walls and a locking door/s.

In the case of motorcycles:

- ✘ YOU ARE NOT INSURED IF YOUR MOTORCYCLE IS PARKED REGULARLY ON THE STREET OR IN COMMUNAL BASEMENT GARAGES OR LOCKED CAGES.

IF YOUR SITUATION CHANGES DURING THE PERIOD OF INSURANCE AND YOUR VEHICLE/MOTORCYCLE WILL NO LONGER BE KEPT IN A LOCKED GARAGE, PLEASE CONTACT US IMMEDIATELY.

No Claims Discount

A No Claims Discount (NCD) is an entitlement given to a person for a demonstrated claim free driving/riding history.

Ryno Insurance Services will honour the NCD from another insurer when you start insurance with us. Clients will also earn a NCD on our policy for each policy period up to the maximum of 65% or rating 1 equivalent.

After a period of two years whilst on rating 1/ 65% with no incurred at fault claims, we will reward good drivers/riders by protecting their rating 1 for life. This means that any subsequent at fault claims will not affect your NCD rating.

For drivers/riders insuring with Ryno Insurance Services who are already entitled to a protected rating from their existing insurer, we will transfer this entitlement.

When calculating your premium we take into account your NCD entitlement, however if you have been uninsured or insured through a company scheme or otherwise we will take this into account along with your general driving/riding experience.

Proof of No Claims Discount

If you are insuring with Ryno Insurance Services from another insurer, we will ask you for proof of your current No Claims Discount entitlement.

Making a claim and your NCD

Protected Rating

If your schedule currently shows that you are entitled to a rating 1 for life, your NCD will not be affected by any claim in a policy period.

Not at Fault Claims

If you have an accident or claim which is not your fault and we have agreed it is not your fault, and you provide us with the details of all other parties and registration numbers, when we renew your policy we will not reduce your NCD entitlement.

You must also render us all possible assistance to recover against the person responsible for the accident.

Other claim types

If during the previous policy period, you have made a claim where you were at fault or where we have been unable to make a recovery on your behalf (a 'penalty claim'), upon renewal we will reduce your NCD entitlement for each claim made. The amount that we may reduce your NCD by is detailed below.

Your Current NCD	Following 1 Penalty Claim	Following more than 1 Penalty Claim
Protected	Protected	Protected
65%	45%	Nil
55%	25%	Nil
45%	Nil	Nil
Nil	Nil	Nil

For any reduction in NCD, a surcharge in your premium will be applied upon renewal.

Windshield Claims

We do not apply any excess to the first windshield claim per policy period.

For any subsequent claims in the same period, we will apply the Basic Excess.

We do not reduce your NCD entitlement for windshield claims. See the Definitions section for what we class as windshields.
