The services we are authorised to provide you

East West Insurance Brokers Pty Ltd Trading as Ryno Insurance is licensed to operate a financial services business and to provide financial product advice in relation to, and deal in, general insurance products. This allows us to issue, apply for, acquire, vary or dispose of these products. We can deal with and advise both Retail and Wholesale Clients.

The advice and documents we give Retail Clients

Personal Advice: In most cases we will give you personal advice tailored to your requirements after we have taken into account your individual objectives, financial situation and/or needs. When you ask us to arrange an insurance policy for you we will usually only consider the policies offered by the insurers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available other than those insurers we deal with regularly.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

General Advice: If we only provide you with general advice, we will not have taken into account any of your particular objectives, financial situation or needs. For this reason, before accepting the cover, you should review the Product Disclosure Statement, and consider the appropriateness of the advice taking into account your own objectives, financial situation and needs.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

Product Disclosure Statement (PDS)

We will give you a PDS, unless you already have an up to date PDS. The PDS is designed to give you important information regarding the insurer and the policy conditions.

Renewals

We will give you at least 14 days notice of expiry of any insurance policy which we arranged or last renewed for you.

At that time we will send you an offer to renew the insurance policy and invoice you for the cost of renewal. If there is a change to your circumstances or if you want to change the details of the cover, contact us as soon as you receive the renewal offer. This will allow us to assess whether your insurance is appropriate for your current circumstances.

How you can pay for our services

For each new insurance product, alteration or renewal, the insurer will charge a premium that includes any relevant taxes, charges and levies. In some cases, we will also charge you a fee. These amounts will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund of premium owed to you as a result of a cancellation or alteration to a policy, we will retain any fee we have charged you and reserve the right to retain the full commission.

When you pay the premium to us, it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How commissions, fees or other benefits are calculated

We are paid a commission from the Insurer when we arrange a policy on your behalf. This commission is calculated as a percentage of the base premium amount, before GST, Stamp Duty and other Government charges. Our commission will be calculated based on the formula $X=Y\% \times P$. X=our commission; Y%=the percentage commission paid to us by the insurer and which varies between 5 and 27%; P=the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be calculated dependent upon factors such as time and costs associated with the particular administration performed and/or service provided. We may also charge you a fee for any special advisory or additional claims-related services.

We may also receive other income or benefits from insurers, including:

- commission or allowances from insurers for managing binding authorities or other similar facilities;
- profit commissions or profit shares paid by insurers on certain classes of insurance;
- expense reimbursements e.g. some training costs or resources;
- administrative fees for services we provide to insurers.

On occasion, another person or company introduces prospective clients to us. Sometimes we share our commission or fees with them or pay them an agreed referral fee. If we give you personal advice, we will let you know of any fees, commission or other payments we, our associates or anyone referring you to us will receive in relation to the policies that are the subject of the advice. Our commission rates for referrers are in the range of 0-20% and disclosed at the time of placing cover.

Our employees receive a market salary. They may also receive an incentive bonus based on performance criteria e.g. level of quality service, retained renewals, or new business income. An employee may be paid a share of our remuneration in the range of 3-10%. For example, if our remuneration was 10% of the net premium of \$1,000.00 (i.e. \$100.00), the employee may receive up to \$10.00 from that transaction.

If you require further details regarding remuneration, we may receive to assist you with making a decision to deal with Ryno Insurance, you can contact our office by telephone, email or mail **within 7 days** of the receipt of this FSG and this information will be provided to you in writing. This also applies to any non-monetary remuneration we may receive from insurers such as gifts, entertainment and other incidental benefits where such remuneration could impact in any way on the services, we provide you.
